

## ASP at Home Checklist 2026

2. **Print Jesse Lee Release and Liability Waiver** and complete. (At the bottom of the Home Screen, click on Forms to Print.) Bring to orientation or mail to Julie Yaun, 14 Fisher Lane, Ridgefield, CT 06877.
3. About 24 hours after you've registered, you will be eligible to **sign up for mandatory Basic Skills and Ramp Building Sessions** through our website, JesseLeeatHome.org. You need to use the email you gave when you registered. (The teen's email, not the parent's). These sessions are held in April and May. Everyone takes Ramp Building. Returning volunteers have the option of doing Senior Skills instead of the Ramp Building clinic. **You only need to take Basic Skills if this is your first year participating in the program.**
4. New Volunteers: **Print the list of tools** found in the Basic Skills section. You'll need them for the April Basic Skills session. Label all tools with your name!
5. You must **attend one Orientation session. There are two options: March 3 OR March 11 6:30-8:15 PM.** Snow dates are March 4 and 12. A 45-minute parent session is held at the same time. One parent must attend.
